## OUR SERVICES

### Perfusion

Houston Extracorporeal Technologies can meet all of your perfusion, ECMO, and autotransfusion service needs.

### ECMO

We are a leader in ECMO management, managing ECMO patients in seven major medical centers and healthcare systems.

### Autotransfusion

Our autotransfusion services perform over 3,000 cases in over 25 hospitals and surgery centers in the Houston area

### Consulting

With over 40 years of experience, let us help you with your perfusion, ECMO, and autotransfusion needs.

### Education

We partner with our hospitals providing educational in-services in ECMO, CRRT/CVVH, and more...

### Products

We partner with all major manufacturers to bring you affordable options for perfusion and blood management needs.
